~Entry requirements for EU citizens~

If you are a citizen of an EU member state, all you need to have to enter Poland is a valid travel document or a document confirming your identification and citizenship (i.e. your national ID). However, if you wish to travel abroad during your stay in Poland, it is a good idea to have a passport with you, as a passport is necessary to visit some of Poland's neighbouring countries that are not EU member states.

For a stay shorter than three months, there are no formal requirements. However, your studies will take longer. For such a stay, a registration of residence is necessary. You should register with Voivodship (Provincial) Office and get a Temporary Residence Card for maximum period of two years.

~Entry requirements for non-EU citizens~

Two main documents you will need to enter Poland if are not a EU citizen are a valid travel document (passport) and a visa (if required).

~Visa~

As a general rule, you need a visa to enter Poland. There are, however, a number of countries that are exempt from this requirement. To check whether your country is one of them, see this list:

http://www.msz.gov.pl/en/travel_to_poland/entering_poland/visa_free/

Poland is in the Schengen zone, so you can apply for a Polish visa and travel all around Europe (excluding the United Kingdom, Cyprus, Bulgaria, Romania and states outside of the EU).

There are several types of visas to choose from:

- "A" type – an airport transit Schengen visa, so it cannot be used by a student arriving to Poland
- "C" type – a short-term Schengen visa allowing the holder to stay in the Schengen territory for up to 90 days in a six months' period
- "D" type – a long-term national visa issued for up to one year allowing travel around the Schengen area for three months in a half-a-year period.

A visa can only be extended once.

Five easy steps to obtain a visa:

- 1) Find a Polish consulate that can process your application. You can use the MFA's search engine http://mfa.gov.pl/en/travel_to_poland/polands_missions_abroad/polish_missions_abroad
- 2) Read carefully ALL the information concerning visa application on the consulate's website and follow ALL the instructions.
- 3) Set a visa appointment with the consulate. In most cases, you will have to register through the website: <http://www.e-konsulat.gov.pl>
- 4) Prepare the required documents, including: an application form, a travel document (passport), a biometric photo, a health insurance and documents confirming the purpose of your stay. The range of the required documentation may vary between consulates, so confirm them with the consulate's website.
- 5) Submit all the documents including a printed and signed application form and the visa fee.

Your visa application is complete. It will take up to 15 days for it to be reviewed.

~Temporary Residence Card~

Who needs it?

Every foreign student needs it.

Students from EU member states need it to legalise their stay after the first three formality-free months.

Non-EU students should apply for a Temporary Residence Card before their visa expires.

A Temporary Residence Card is an ID card that proves that you have a residence permit. Together with your travel document it also allows you to cross the Polish border as many times as you wish. It is issued for the period of your studies but no longer than two years. It can be extended.

REMEMBER: You should apply for the Temporary Residence Card when you are legally staying in Poland, which means after you arrive, but before the end of the three month period (EU students) or the expiration of your visa (non-EU students).

~Application~

You have to apply for a Temporary Residence Card with the local Voivodship Office. You can find a complete list of offices here:

<http://www.migrant.info.pl/public-institutions.html>

The documents you will need to legalise your stay include an application form (4 copies) and documents proving your identification and citizenship, your address, the purpose of your stay and a proof that you possess sufficient funds. For detailed information, check out the Voivodship Office's website.
