

Student organizations

At the Faculty of Technology and Education there are 4 active student research clubs:

- **Student Research Club “Drone”**

(Department of Biomedical Engineering)

- **Student Research Club “Bez oporu”**

(Department of Mechatronics and Applied Mechanics)

- **Student Research Club “MFP”**

(Department of Materials Science and Engineering)

- **Student Research Club “Occupational Therapy”**

(Department of Pedagogy and Education Science)

Research clubs bring together students who want to develop their research interests and work on their own student projects. Students also take part in various events organized by the Faculty and University such as: the Faculty Science Picnic or the University Science Festival.

Apart from that, there are many student clubs and organizations of social, artistic and sports type which operate at the University of Technology and Education. Students can pursue their interests in the following organizations:

- [The Academic Dance Club](#)
- [The Academic Choir](#)
- [The University's Yacht Club](#)
- [The University's Racing Club](#)
- AIESEC- Local Committee Koszalin
- the “Dedal” Flying Club
- the Student Tourist Organization
- the Koszalin Business Centre Club Student Forum
- [the “Hetman” Chess Club](#)
- the editorial team of “Kurier Akademicki”

- Student and Graduate Association “Millenium”
